

# The Campaign for Santa Barbara County Genealogical Society

January 2010

## Exciting Times!

Gary Jensen submitted our plans to the city for review on December 17th and we anticipate a response from them in 6-8 weeks. Then, in early December the Building Committee interviewed three contractors, who now have a set of our plans and should have bids to us around the end of January. If you'd like to see the plans (30+ sheets) a set is in the Fireside Room. It's an exciting time and your support means so much to us! Thanks!

*This month we'd like to acknowledge our wonderful supporters who in 2008 & 2009 have made pledges and donations in the Community Gift category up to \$5,999.*
