Appeal is made for gifts of books, pamphlets and periodicals for the SBCGS library. Contributions will be reported in the NEW IN THE LIBRARY section and are tax deductible. Recommendations for purchase of books to be made by the book committee. Articles and ancestral charts for ANCESTORS WEST are solicited. Queries bring response and expansion of family data.

Recently our esteemed editor and Society member Lilian Mann Fish suffered a serious physical difficulty requiring hospitalization and surgery( she is now recovering, we are happy to report). Replacements of her caliber are in short supply and so it was decided by the Directors of the SBGS that an editorial board be established to act as substitute editors. Consequently, you will notice a slight change in the format of Ancestors West and that the third quarterly issue is reaching you somewhat late.

In June Ms. Fish represented the Piscataqua Pioneers at the Goddard Convocation in Wichita, KS. She reports the first Chadbourne, as well as John Goddard came on the "Red Cow" to Oyster River, NH in 1634 as a millwright under contract with Capt. John Mason. The newsletter of the Chadbourne Association is "The Pied Cow".

Mr. Derek Webber of Snowdon, Wiltshire, Eng. the principle speaker at the Goddard Convocation, in one talk stressed the fact that 'cowe' shortened to 'cow' is the Anglo Saxon word for a shifting, sometimes water-covered sandy reef or dune in the waters off the Yarmouth to Ipswich coast of reddish-brown variedcolored sand--not a black and white Holstein. A model of "The Pied Cow" graced the lecturn at the Goddard meetings and another, with finely laced black rigging and white sails was dis-

played at the head table of the banquet and presented to Ms. Fish as the only Goddard descendant in attendance. Lilian has graciously loaned the latter to the Society for display on the New Hampshire table at the Genealogy Faire.

You are much loved and missed, Lilian, and we wish you a speedy recovery and quick return.

## Genealogy Fair

October 6, 1984

Research - Speaker - Sales

Mark Saturday, October 6 on your calendar! Instead of the regular October meeting, our Santa Barbara County Genealogical Society is planning a GENEALOGY FAIR for that date. It will be held at the United Methodist Church, Anapamu and Garden Streets from 10 am to 4 pm.

Come prepared to research! We will have tables arranged by geographical area and staffed by people familiar with each area. Many members are loaning books from their personal libraries which will be available for your research. These will be complemented by others selected from our substantial Society Library. (It's a grand opportunity to look at books not generally available!)

Arrangements are being made by our President, Doreen Dullea, for a great out of town speaker to highlight the day. And, for those new to this sport, a short Beginners Class will be held.

Another feature that's sure to attract you will be our Sales Table. Books, supplies, and genealogy-related materials will be available for purchase with a discount given to Society members. In addition, there will be some items of genealogical interest that can only be acquired by participating in the exciting raffle that is planned. So, be prepared to take a chance!

And, if you think that food is still a necessity (when all those beautiful books are available for perusal), bring a sack lunch or take advantage of the several eateries in the area. However, to keep you fortified (so that you can stick with that research) we'll have coffee, tea and "goodies" for sale.

Proceeds from the day will benefit our society in much-needed ways - the bookfund for library additions, speakers, general operating expenses, etc.

Offers of assistance and further questions should be directed to Jan Cloud (965-7423) who is General Chairman.

This is an opportunity not only to do research, but to work with and get to know your fellow society members. Please come and join us!

As stated in a recent issue of the Santa Clara Co. H & GS Quarterly, Vol.20, #4, Whole #80, Spring 1984, we must all be careful when we ask unknown firms and individuals to help us in our research.

California Genealogical Society Newsletter Vol.XV,#2, April 1984, printed some advice of the International Genealogy Consumer Organization, 4329 South Stafford Way, Salt Lake, UT, 84119, which -

Does not recommend these genealogists, publications, or businesses:

DELAYED BIRTH FILES

In 1940, when people had to have a birth certificate suddenly for Social Security purposes many people whose births were as early as 1858 came in and filed the births with the county clerks. Affidavits sworn to by relatives or a doctor present at the birth or proof of baptism were necessary. A delayed birth record might have been necessary if the original record had been destroyed by fire after the birth.

The word 'relict' on a tombstone means that a lady was a widow when she died, but if it says 'consort of John Jones' you know that John was alive when she died.

The Battle of Sedgemoor and the "Pitchfork Rebellion" took place 300 years ago. Fought between the rebel supporters of the Duke of Monmouth against the army of King James II, this was the last major fighting

on English soil. Some 4,000 names of Monmouth supporters are known as well as the villages and towns from where they came. A number of prisoners were transported to the West Indies and the United States and descendants of many more emigrated all around the world in the 19th century. The Somerset and Dorset FHS has promised to offer advice to anybody, anywhere, who has reason to believe that their ancestors could have fought on either side, and it is hoped that many people will take the opportunity in this commemorative year to visit Somerset. A Bedwell Family by Larry King, 100 Longview Dr., Hendersonville, Tennessee, (pub. by author, 1982), \$25. 377 pages. Robert Bedwell, the immigrant ancestor of this family, was from St. Giles Parrish, Cripplegate, London, England. He received a grant of land in 1661 and settled in Old Rappahannock County, Virginia. He had five children: Thomas, Robert Jr., Henry, Mary and Elizabeth. It is through his grandson, James Bedwell (son of Robert Jr.) that all of the subsequent generations are descended. James had three sons: Caleb, Robert and James. Generations five through eight are likely to be of the most interest to the present day genealogist. Generations nine through fourteen will be most useful to future genealogists. This book is profusely illustrated with black and white photographs. The interests, occupations, and accomplishments of the descendants of Robert Bedwell run the gamut. Mr. King is of the tenth generation. He has previously published Bedwell Kinfolks, Blue Ridge Mountain Kinfolks, and Keith Kinfolks. A Bedwell Family has a good index with surnames and first names. Each person has a dual number, one for the generation from the ancestor and another for the order in that generation. Mr. King's number is 10-349. Although the immigrant Robert Bedwell settled in Virginia, the Bedwell Family has spread throughout the United States and some foreign countries. It would definitely pay to peruse this book if you have a Bedwell name.

The Francis Redfearn Family - A study of the Family of Francis Redfearn (1777-1858), his wife Ruth Milner (1779-1857) and their three sons and three daughters. Gateway Press Inc., Baltimore, 1982, cloth, \$30.00. May be ordered from the author, Mrs. Harrison Pells (Ruth Redfern Pells) 96 Townhouse Lane, Corpus Christi, TX., 78412. There is a table of contents, of illustrations, a foreward which tells of the stimulus to search in 1969 and the scope of the research which included over 5000 letters written during the period as well as a visit to the locale in Yorkshire England, from which the family immigrated. There is a page devoted to acknowledgements, an explanation of the system of recording, a list of abbreviations used. Footnotes and references are listed at the end of each chapter plus a list of general references on pages 15 & 16. An appendix beginning on page 717 includes data from wills and probate

documents received after the manuscript was ready for publication indicates the thorough and inclusive character of the study. The appendix also includes a complete list of passengers on the Golanda, the ship on which the family traveled from Liverpool to Philadelphia as well as a page of corrections. The numerous photos, pedigree charts and illustrations are included with the text to which they relate. There are 36 pages of index. The book is exactly what it purports to be: A Study of the Redfern Family - a very thorough and readable one.

Notice from the San Francisco Public Library

On April 18, 1906, an earthquake measuring 8.25 on the Richter Scale rocked San Francisco. The quake, lasting 48 seconds, and the subsequent fire, lasting three days and nights, caused tremendous property damage. The number of casualties, never completely tabulated, was in the hundreds.

To arrive at an accurate total for the number of dead, Mrs. Gladys Hansen, San Francisco City Archivist, has made a thorough search of all available records. Her total of 826 known dead far exceeds the official figure of 478 given by the 1907 Board of Supervisors. Yet even with her careful calculations, Mrs. Hansen believes the revised figure too low. She appeals to anyone having knowledge of any person killed in the 1906 disaster to write to her with whatever information they have. The names of the dead will be entered in the official roster in the Public Library, available to researchers of history and genealogy.

We encourage anyone seeking information on people killed in the 1906 Earthquake and Fire, to write to:

Mrs. Gladys Hansen,  
San Francisco Archives  
Public Library  
Civic Center  
San Francisco, CA. 94102

Please enclose a stamped, self-addressed envelope.

SANTA BARRAPA COUNTY GENEALOGICAL SOCIETY

The first county historical or genealogical society in the United States to become affiliated with the International Federation of Family History Societies; is also a member of the American federation.  
There is a complete file of ANCESTORS WEST in the Library of Congress.

SANTA BARBARA COUNTY

One of California's 27 original counties. While the county was actually created in 1850, the history of the area dates back to 1542. In that year Juan Cabrillo discovered the Santa Barbara Channel and later, according to legend crossed to San Miguel Island where he died and was buried. A second Spanish explorer, Sebastian Vizcaino, entered the channel on the Feast Day of Saint Barbara in 1602 and named the area accordingly. Fr. Junipero Serra founded the Santa Barbara mission in 1786. Santa Barbara Royal Presidio, established April 21, 1782, was the last of four royal presidios in Alta California - San Diego, Monterey, San Francisco and Santa Barbara. Santa Barbara had all three Spanish forms- Presidio representing the military; Pueblo, civil and Mission, religious. In 1873 Ventura County was established from the southern portion of the original Santa Barbara area.
