Trust us.

Bank of America has the trust of millions of California's families, and a lot of your clients are among them.

That makes it easier for us to join with you in providing them with complete Trust services, whenever the need arises.

You provide the legal expertise, we provide the financial knowledge and the personnel to follow through. Together, we can serve your client's needs in just about every conceivable Trust situation.

We have experience as executors, trustees and asset managers of portfolios, farm and income property. We offer statewide personal availability through over 1,000 branches

and 34 Trust Offices. We provide computerized efficiency, meticulous accounting, and conscientious attention to detail.

Our money market skills come from investing almost \$3 billion every working day. And we have the global capability to handle problems abroad.

All of which is why we think you can safely put your trust in Bank of America's Trust Department.

If you don't know all about us already, why not call your nearest Trust Office soon? We'd like to get to know you, too.

7 ways **SMITH & TUCKER** can work for you

1

PRE-INCORPORATION FEASIBILITY STUDY

Evaluation of incorporation costs, probable tax consequences, changes in spendable income, employee benefit plans and projected retirement benefits. Complete analysis and computer documentation.

2

PRELIMINARY PLAN DESIGN

Calculation and presentation of pension, stock ownership and/or profit sharing plan characteristics to meet your client's objectives. Computer evaluation of benefit formula, participation, vesting and funding to support basis for final design.

3

FINAL PLAN DESIGN AND INSTALLATION

Calculation of actuarial data and design of preliminary documents for your review. Preparation and transmittal of final documents for determination by IRS. Assistance on technical, administrative, procedural and policy matters as required.

4

PLAN ADMINISTRATION

Complete administration services for qualified plans. Annual evaluation of plan performance; completion of year-end reports; preparation of annual statements; distribution of employee information; and calculation of employee termination distributions.

5

ERISA COMPLIANCE

Analysis of your client corporation's retirement plans. Preparation of plan amendments as required by ERISA ready for your review. Submission of final documents for determination.

6

FINANCIAL REVIEW

Evaluation of your client's assets, liabilities, earnings, investments, estate planning considerations, and tax position. Design of coordinated plan to create an overall long-range strategy for attaining financial goals. Includes Pre-Incorporation Feasibility Study and Preliminary Plan Design if appropriate.
