THE BANK OF THE PROFESSIONALS

A bank that is all things to all people simply can't give professional men and women the personal attention and specially-designed services they need.

And of all the banks in Santa Barbara, only City Commerce Bank specializes in helping business and professional people.

So if you're an attorney, you'll find we're the only local bank authorized as a Federal Court depository.

Through us, a CPA can give his clients a wide range of financing and investment options.

Doctors can go to a branch near Cottage Hospital that has been designed with their needs specifically in mind.

No matter what profession you're in, it's good to know there is one bank in town that has the kind of people and services that are attuned to your special financial requirements.

Whether you need a five-figure revolving line of credit, payroll accounting or lock box service, The Bank of the Professionals has it.

City Commerce Bank.

**The Bank of the Professionals is
City Commerce Bank.**

LET US TAKE ONE WORRY OUT OF YOUR DEPOSITIONS.

No matter how complex, we eliminate one major worry from your depositions: the accuracy of your transcripts.

We deliver accurate transcripts fast. We comprehend the most complex subjects, from thermo-nuclear reactors to myograms and myelograms. If we don't know something, we look it up and make sure your transcript is correct.

All of our work is computerized. Once we have your text in our computer, the

reporter edits and proofreads it. Then, our in-house proofreader gives your transcript one more thorough review before a final is printed.

We "keyword index." That means if you want to review a certain word or phrase, we give you every page and line in which it appears. Our computer guarantees clarity and speed; our reporters guarantee accuracy.

Call us to report your next complex deposition.
